Peels

LEVEL 1 PEEL

\$75

A pumpkin enzyme peel or Cosmedix pomegranate peel. Little to no peeling should be expected. Great peel for an upcoming event for an instant glow.

LEVEL 2 PEEL

\$90

30% glycolic peel, TCA, Jessner or combo peel. Mild flaking may occur 3 days after peel. Great in a series to see lightening of pigment, acne and aging.

DEEP SEA PEEL

\$250

Great alternative to microneedling & deeper chemical peels. This stimulating herbal peel is safe even on pregnant skin. This peel will make you peel 3 days post peel. Must prep skin 7-10 days prior with home care kit (included). Must have a consultation before booking this service.
